

# Chat Hour It Review

My son, who was solely 9 years old at the time, was completely unaware of the danger that he was in. The man who was preying on my son went to nice lengths to realize his belief. He acted like he was a caring older brother, even offering to send artistic nudes. This sort of habits is absolutely unacceptable, and it's nothing wanting baby molestation. In my opinion, the site must be shut down immediately and fined for promoting youngster endangerment and inspiring child molestation. This type of conduct is not solely illegal, but additionally it is incredibly damaging to the mental and emotional health of our kids. While I understand that the internet can be a great spot to attach with others who share our interests, we must additionally pay attention to the hazards that it can convey.
